MEMORANDUM AND ORDER

Counsel for plaintiff have provided this court with a status report by a letter dated August 29, 2000 (a copy of which is attached hereto) in which he states that (1) defendant is a British citizen who travels extensively throughout the United States; (2) plaintiff has been unable to locate and serve defendant; (3) plaintiff intends to request that the summons for defendant be reissued; (4) plaintiff wishes to pursue this action; but (5) counsel anticipates that this action "is likely to remain somewhat inactive given the present circumstances."

Accordingly, it is, this 20<sup>th</sup> day of September 2000,

ORDERED

1. This action be administratively closed;
2. If plaintiff requests the reissuance of the summons for defendant the request be granted despite the fact that this action has been administratively closed; and
3. This action will be reopened in the event that defendant is served.
